Pearl Street between Union and State streets closed this weekend

Jacksonville – Pearl Street between Union Street and State Street is scheduled to close Saturday at 6 a.m. and reopen Sunday by 7 p.m. (April 16-17) to allow for drainage work at the southeast corner of Pearl and State streets. The detour previously scheduled April 2-3 was postponed due to weather.

Northbound Pearl Street traffic is detoured to Union, Julia and State streets. Southbound traffic is detoured to State, Clay and Union streets (see detour map below). Double lane closures on State Street west and east of Pearl Street will be in effect during the same time.

The road closure, weather permitting, is part of the \$13 million Florida Department of Transportation's (FDOT) State Street, Union Street and Mathews Expressway resurfacing and improvement project.
